

ACCESS CHURCH

THE CHURCH THAT WE SEE....

THE VISION.....New beginning

We see a Church which is an expression of the fullness of the Kingdom of God.

A Church that is an embodiment of God's love, grace and compassion.

We see a Church which exists as a cafe where people go to meet with God, a portal which connects heaven with earth.

An access church to supernatural Kingdom living.

An access point for communities and nations to connect with the Father's Heart. An access point for healing, deliverance, restoration and wholeness.

A church accessible to the lost and the broken. We see an access church that would usher in the presence of God and make room for the Holy Spirit. We see an access church where people can experience the true freedom of the Holy Spirit. A Church where people are released and empowered to live the life they were created to have.

We see ...ACCESS CHURCH a Church where Jesus is the Centre and the cross is the way.

OUR MISSION

Our mission is to reach and influence communities and nations with God's unconditional love. We seek to empower people to live a supernatural Kingdom lifestyle by impacting others in every sphere of life.

How we do this...

This is done by encouraging healthy interpersonal relationships and personal encounters with God.

- Making room for the Holy Spirit to move, creating a safe place for people to be themselves and experience personal growth.
- By engaging communities through outreaches and other various initiatives aimed at introducing people to God's love.
- Overseas Mission Trips, Ministry Schools, Life Groups, Conferences, Worship and intercession, and other regular Church Ministries.
- Releasing emerging leaders by creating new ministry opportunities and Church planting projects both locally and overseas.
